### North Shore Medical Center Hosts Premie Reunion Party

North Shore Medical Center recently hosted a premie reunion party for all babies born at North Shore Medical Center and cared for in the Neonatal Intensive Care Unit (NICU). Over 50 families attended and were able to reunite with NICU staff and physicians at North Shore who cared for them or their family for the past 26 years. Guests were treated to entertainment, face painting, refreshments and of course, time to mingle.
